SHELTON STATE ADOPTS A SCHOOL

Shelton State Community College and Vestavia Hills Elementary School in Northport have joined the Adopt-A-School Program, a business/education partnership sponsored by the Tuscaloosa City Schools, Tuscaloosa County Schools and The Chamber of Commerce of West Alabama.

The Adopt-A-School Program is a partnership between business and education that is designed to strengthen the quality of the educational process through the use of community resources and to promote better understanding between business, industry, the community, and the schools. The program matches one local business/industry with one school for the term of an academic year.

DURASKI TO PERFORM

The Monday Concert Series will feature Anne Duraski on November 18 at 12:30 p.m. in the music room of the junior college. Mrs. Duraski, a former voice instructor at Shelton State, has appeared in "Side by Side," "Peter Pan," "Amahl and the Night Visitors." Mrs. Duraski received her bachelor's degree from Auburn University and her masters degree from the University of Alabama. She has done some doctoral study at the Eastman School of Music. The program will consist of a variety of musical selections, and the public is invited to attend.

EARLY REGISTRATION FOR WINTER QUARTER

Early registration for winter quarter is scheduled for November 13, 14, and 15. The first day of classes for the quarter is Tuesday, December 3, 1985.

NO CLASSES AT THE COLLEGE

There will be no classes at the junior or technical divisions of the college November 6-8, 1985. Faculty from the college will join other faculty members from the state's two-year institutions in professional development workshops across the state.
